	The data in this table begins with school year 1996/1997.

	Provincial examinations were developed by British Columbia teachers and are
	based on the provincial curricula for select Grade 10, 11 and 12 academic
	courses. Exams are typically held in November, January, April, June and August, but results within a particular SCHOOL_YEAR are only for courses that were
	completed up to the June exam session within that same SCHOOL_YEAR.
	completed up to the same examplession within that same some se_12.11.
	Results included this data set are based upon graduation program
	requirements in place prior to implementation of the 2018 Graduation
	Program (see Key References).
