

Working with the Graduation Assessments Participation extract

Understanding the Graduation Assessments Participation data extract	Read the following documents: <ul style="list-style-type: none">• <i>Graduation Assessments Participation field definitions</i>• Ministry of Education data masking policy
How can I work with this data set in Microsoft Excel?	The following tutorials may be helpful: <ul style="list-style-type: none">• Importing text (.txt or .csv) files into Excel• Auto-filtering in Excel• Keeping leading zeros and large numbers in Excel

Conventions in this document

BOLDED_WITH_UNDERSCORES	Indicates a column name (for example, SUB_POPULATION)
'Text within single quotation marks'	Indicates a column value (for example, 'Disabilities or Diverse Abilities')

Instructions

1. Open your local copy of the file.
2. Apply auto-filtering to the heading row. (This is not essential, but it makes it easier to work with the data when you have more than a screen's worth of rows.)
3. Use the auto-filter on the **DATA_LEVEL** column to select 'School Level', 'District Level', or 'Province Level'.
4. The next column to work with depends on which value you just selected:
 - If you selected 'Province Level', use **PUBLIC_OR_INDEPENDENT** to set which group of schools to include in your results (public, independent, or province total).
 - If you selected 'District Level', use either **DISTRICT_NUMBER** or **DISTRICT_NAME** to select the district whose results you want to see. (Note that independent schools do not have school districts.)
 - If you selected 'School Level', use either **SCHOOL_NUMBER** or **SCHOOL_NAME** to select the school whose results you want to see.
5. Use the auto-filter on **SCHOOL_YEAR** to select data from a specific school year (e.g., '2022/2023').
6. Use the **SUB_POPULATION** column to filter by subpopulation (e.g., 'Indigenous').
7. Use the **GRADUATION_ASSESSMENT** column to select the assessment for which you'd like the results.

8. To remove all masked data ('Msk'), use the auto-filter to deselect 'Msk' from the aggregate columns (K through M).

Sample Questions

Question:

In 2022/2023, how many non-disabilities or diverse abilities students in the province wrote the Grade 10 numeracy assessment?

Path to answer:

1. Filter **SCHOOL_YEAR** to '2022/2023'
2. Filter **PUBLIC_OR_INDEPENDENT** to 'Province-Total'
3. Filter **SUB_POPULATION** to 'Non Disabilities or Diverse Abilities'
4. Filter **GRADUATION_ASSESSMENT** to 'Numeracy Assessment 10'
5. Column L (**NUMBER_WRITERS**) = 36,766

Question:

In School District 27 in 2023/2024, what was the participation rate for Grade 12 students who wrote the Literacy Assessment?

Path to answer:

1. Filter **SCHOOL_YEAR** to '2023/2024'
2. Filter **DATA_LEVEL** to 'District Level'
3. Filter **DISTRICT_NUMBER** to '027'
4. Filter **SUB_POPULATION** to 'All Students'
5. Filter **GRADE** to '12'
6. Column M (**PARTICIPATION_RATE**) = 80.4(%)
