The Canada Revenue Agency administers B.C.'s personal and corporate income taxes under the Tax Collection Agreement between the province and the federal government. Corporate tax credits include the scientific research and experimental development tax credit, the book publishing tax credit, the interactive digital media tax credit and the film tax credits. In addition, the farmers' food donation tax credit, mining exploration tax credit, logging tax credit, training tax credits and venture capital tax credits are available to both individuals and corporations. B.C. provides a set of non-refundable credits similar to most federal non-refundable credits. Refundable personal tax credits include the B.C. climate action tax credit, B.C. sales tax credit, the B.C. Child Opportunity Benefit and other credits available to individuals who meet specific eligibility criteria.
Payroll — <i>Employer Health Tax Act</i>	B.C. remuneration	1.95%. Rate is reduced if annual B.C. remuneration is between \$500,000 and \$1.5 million. Tax does not apply if B.C. remuneration is less than \$500,000.	Employers with annual B.C. remuneration less than \$500,000 are exempt from the tax. The exemption amount is shared by all associated employers. The tax rate is phased in for employers with annual B.C. remuneration between \$500,000 and \$1.5 million. Special rules exist for charities and non-profits. Charities and non-profits receive an exemption of \$1.5 million per qualifying location, and charities with B.C. remuneration between \$1.5 million and \$4.5 million per qualifying location pay a reduced rate. Employers associated with charities do not have to share the exemption with the charity.
Real property transfers — <i>Property Transfer Tax Act</i>	Fair market value of property based on the percentage of interest in the property.	1% on the first \$200,000 of the fair market value transferred, 2% of the fair market value that exceeds \$200,000 but does not exceed \$2,000,000 and 3% of the fair market value that exceeds \$2,000,000. For residential class property and farm land associated with a farmers' dwelling, the 3% rate becomes 5% for the fair market value above \$3,000,000. Foreign nationals and foreign corporations purchasing residential class property in certain areas pay an additional 20% of fair market value. These areas are Metro Vancouver Regional District except Tsawwassen Lands, and Capital, Central Okanagan, Fraser Valley and Nanaimo Regional Districts.	Eligible first time home-buyers are fully exempt from tax on transfers of eligible properties up to \$500,000. Similarly, eligible purchasers of newly constructed homes are fully exempt if the fair market value is \$750,000 or less. Other exemptions include: some intergenerational transfers or transfers to a spouse of principal residences, recreational residences and family farms; transfers of property between spouses pursuant to written separation agreements or court orders; transfers of property to local governments, registered charities and educational institutions; transfers of property to veterans under the <i>Veterans' Land Act</i> (Canada); transfers of land to be protected, preserved, conserved or kept in a natural state; and transfers of leases 30 years or less in duration. A number of technical exemptions are also provided. Foreign nationals who become citizens or permanent residents of Canada within a year of purchase may be eligible for a refund of the additional 20% tax. Foreign nationals who are in the Provincial Nominee Program process for immigration to Canada may be exempt from the additional 20% tax.

Real property — <i>Taxation (Rural Area) Act</i>	Assessed value of land and improvements in rural areas (outside municipalities). Assessment determined under the <i>Assessment Act</i> .	Rates are set annually expressed as \$/\$1000 of taxable assessed value. For residential properties the rates are set to increase average residential rural taxes by the rate of inflation. For non-residential property classes, the rates are set so that total non-residential rural tax revenues increase by inflation plus tax on new construction. <table border="0"> <tr> <td>Class</td> <td>Rate \$/\$1000</td> </tr> <tr> <td>1 residential:</td> <td>0.36</td> </tr> <tr> <td>2 utilities:</td> <td>3.77</td> </tr> <tr> <td>3 supportive housing:</td> <td>0.10</td> </tr> <tr> <td>4 major industry:</td> <td>7.09</td> </tr> <tr> <td>5 light industry:</td> <td>2.56</td> </tr> <tr> <td>6 business and other:</td> <td>2.56</td> </tr> <tr> <td>7 managed forest land:</td> <td>0.46</td> </tr> <tr> <td>8 recreation/non-profit:</td> <td>0.78</td> </tr> <tr> <td>9 farm land:</td> <td>0.55</td> </tr> </table> In Peace River Regional District, tax rates are the same as above except <table border="0"> <tr> <td>2 utilities:</td> <td>4.12</td> </tr> <tr> <td>4 major industry:</td> <td>7.44</td> </tr> <tr> <td>5 light industry:</td> <td>2.91</td> </tr> </table>	Class	Rate \$/\$1000	1 residential:	0.36	2 utilities:	3.77	3 supportive housing:	0.10	4 major industry:	7.09	5 light industry:	2.56	6 business and other:	2.56	7 managed forest land:	0.46	8 recreation/non-profit:	0.78	9 farm land:	0.55	2 utilities:	4.12	4 major industry:	7.44	5 light industry:	2.91	Some exemptions apply under various statutes.

Basic residential class school property tax — <i>School Act</i> section 119	Assessed value of class 1 residential land and improvements. Assessment determined under the <i>Assessment Act</i> .	Rates are set annually to increase average residential taxes by the rate of inflation. The rates vary by school district. For 2022, rates range from about \$0.72/\$1000 to \$4.00/\$1000.	Basic rates are calculated using a formula to moderate effects of varying average assessments on school district taxes. Amendments to the <i>School Act</i> in 2002 allow the Minister of Finance to apply different tax rates within a school district. Specific to 2022 and as a response to the Lytton fire, rates within the village of Lytton were reduced to \$0.01/\$1000. Otherwise, Tofino is the only municipality with a rate that differs from the rest of the school district. School districts may levy additional tax on residential class property if authorized by local referendum. None do. The Home Owner Grant Program and the Land Tax Deferment Program can reduce or postpone the tax liability for Canadian citizens and permanent residents of Canada who live in their own home as a principal residence.																										
Additional school tax on homes over \$3 million. — <i>School Act</i> section 120.1	Assessed value of “dwelling property”.	Tax is 0.2% on the value of the dwelling property between \$3,000,000 and \$4,000,000 and 0.4% on the value above \$4,000,000.	Dwelling property for the additional school tax is most residential class property where there is between one and three dwelling units. Properties with four or more units, such as apartment buildings, are not taxed. Vacant land in residential class is taxed unless it is in the Agricultural Land Reserve.

Non-residential class school property tax — <i>School Act</i> section 119	Assessed value of non-residential land and improvements. Assessment determined under the <i>Assessment Act</i> .	Rates are set annually and expressed as \$/\$1000 of taxable assessed value. For 2022 the rates are: Class Rate \$/\$1000 2 utilities: 12.72 3 supportive housing: 0.10 4 major industry: 3.52 5 light industry: 3.52 6 business and other: 3.52 7 managed forest land: 1.90 8 recreation/non-profit: 2.03 9 farm land: 6.98	Some exemptions apply under various statutes. Tax rates for 2022 were set according to the usual policy, so that revenues would grow from 2021 by inflation and by the tax on new building since 2021. An industrial property tax credit reduces provincial school property tax by 60% on major industrial (class 4) properties. This credit is eliminated for the 2023 year, and the class 4 rate will be reduced, resulting in no effective change in taxation from eliminating the credit. A 50% provincial farm land property tax credit reduces the provincial school property tax on farm land (class 9).
Police tax — <i>Police Act</i>	Assessed value of land and improvements in municipalities under 5,000 population and in rural areas. Assessment determined under the <i>Assessment Act</i> .	Rates are set annually to raise up to 50% of the provincial cost of rural and small community policing. Rates are set for each of the nine property classes in each municipality under 5,000 population, in each electoral area of the province and in the area of the province outside a regional district.	Basic rates are calculated using a formula that includes assessed value and population. Tax rate reductions are embedded in the rates to reflect the contribution taxpayers in the rural areas make to policing costs through the provincial rural area property tax and payments of grants in lieu of police tax by exempt taxpayers. Rates are further reduced to deliver traffic fine revenue sharing amounts to taxpayers: in municipalities over 5,000 where police tax does not apply the traffic fine revenue sharing amounts are paid to municipalities. As a result of population increases, the police tax no longer applies in the municipalities of Duncan, Oliver, and Metchosin.
Speculation and vacancy tax — <i>Speculation and Vacancy Tax Act</i>	Tax is based on the assessed value of the residential property. Assessment determined under the <i>Assessment Act</i> .	The tax rate is 2% for foreign owners and untaxed worldwide earners (satellite families). The tax rate for other owners is 0.5%.	The tax is intended to capture foreign and domestic speculators who own residential property in designated taxable areas. Different exemptions and credits are available depending on owner type. The principal residence of a resident of British Columbia is exempt from tax. Residential property that is rented out is exempt. Property that is under construction or development is exempt. There are also a variety of hardship exemptions available. Residents of B.C. are entitled to an up to \$2,000 tax credit. Other categories of owners are entitled to a tax credit based on reported B.C. income and the use of the property.
